Accommodations: Each caddie will receive a complimentary room from the Portugal Invitational for up to a maximum of six (6) nights at their respective hotels.

Air Travel: There are flights from the ISPS HANNA Senior Open that depart from Glasgow (GLA) or Edinburgh (EDI) Airports and arrive at Faro International Airport (FAO), which is about 30 minutes by car to The Els Club Vilamoura. While Faro International Airport is the suggested option, caddies may also fly in and out of Lisbon (LIS) if desired. Lisbon is about a 2.5-hour drive from the hotels and golf course.

The link below lists current flights into Faro with their respective departure and arrival times sourced by PGA TOUR Travel: [Flight List](#)

Ground Transportation. The Portugal Invitational will arrange transportation for players and caddies arriving at Faro International Airport to their hotels upon arrival. For those arriving in Lisbon, car rental options will be available from most major U.S.-based providers, at the expense of each caddie. Additionally, the tournament will communicate car service options on May 1. During tournament week, daily shuttle service will be provided for caddies to transport them between the hotel and the golf course.
