The screenshot displays the Outlook calendar interface. At the top, a calendar grid for April 2016 is visible, with days of the week (SU, MO, TU, WE, TH, FR, SA) and dates (1-30). Below the grid is a list of calendars under the heading 'My Calendars'. The 'PGA TOUR Schedule' is selected, indicated by a green highlight and a checkmark. Other calendars listed include 'Calendar', 'United States holidays', 'Birthdays', 'Champions Tour Schedule', and 'Mackenzie Tour-PGA TOUR Can...'. Below the 'My Calendars' section is the 'Other Calendars' section, which is currently empty. To the right of the calendar list is a vertical timeline view showing dates from 9 to 7. A blue bar representing an appointment is visible on the timeline for the date 2. A green vertical bar labeled 'Previous Appointment' is positioned over the date 2.
